PLEASE NOTE: Sales tax is not included unless specifically noted in the total above.

We offer financing through our in-house leasing company, CCF Leasing--learn more at sporest.com/financing today!

General Terms: (Unless Prior Arrangements Have Already Been Made)

*We are pleased to submit this quotation for your consideration. This quote is valid for **30 days**. Any taxes, fees, permits or additional equipment required because of changes in City, County or State building codes or regulations are solely the responsibility of the building owner or equipment buyer.

*All major credit cards are accepted. We will be glad to waive processing fees for credit card payments if quote is paid in full upfront with the exception of American Express. In the event American Express is your preferred payment, we will be required to charge a 4% processing fee. A 50% down payment by check will also be accepted and can be processed via ACH to expedite the order. To facilitate this, a copy of the check sent via text or email to the salesman will suffice.

*Special terms are given to quotes considered contracts. (ie: multiple pieces of equipment for a remodel or new build) **A 50% down payment is required to initiate the order.** If down payment method is by credit card, refer to the paragraph above. Items will be invoiced as they are received at our warehouse. Monthly billings will be submitted on or about the 20th of each month. Payment is expected within 10 days of billing. Items will remain the sole property of ours until paid in full.

*Please note that any cancellation or returns may result in factory restock fees and return shipping charges. Some special order items are not returnable or refundable.

*Ask your salesperson about our **in-house finance company**, CCF Leasing, offering a fast approval process with no pre-payment penalty and automatic monthly payments over 1-5 years. More information can be found on our website under financing.

*We offer open accounts with credit limits on approved credit. This is helpful to many of our customers due to our ability to track and facilitate regular small wares orders. We also specialize in providing orders for schools and other institutions based upon the utilization of Purchase Orders. Let us know how we can be of service to you.
